## Results that Count

At Swan Learning Center we know students can excel in school. Our accelerated summer program gives students the tools needed to build a solid academic foundation to be successful. Our week long summer workshops and intensives are for rising K-12th graders. **Additional weeks may be added especially when parents want students to work on more than one subject area.**

## Registration Details

### Dates/Times

Our summer Academic Workshops and Intensives are offered from early June through late August to accommodate different school calendars. You may choose as many weeks as needed throughout the summer. Consecutive weeks are optimal.

## Diagnostic Assessment:

The diagnostic assessment may be done prior to summer sessions. The assessment usually takes 45-60 minutes to complete and is given in the morning.

If you would like to have the assessment done before the summer session begins:

1. Register for the summer program.
2. Call the center to arrange an appointment to complete the diagnostic evaluation.
3. The center will make an appointment for you to discuss the results of the evaluation with the director. Assessment offered at a reduced rate of \$100 for summer students.
